This feature gives you the unique possibility to personalize the intensity and flavour of your espresso, creating a tailor-made result by choosing the quantity of ground coffee per cup among 5 selections.

AROMA LID

The coffee beans container of Anima preserves the coffee aroma in an even better way thanks to its special lid.

100% CERAMIC ADJUSTABLE GRINDERS

The resistant 100% ceramic grinders extract the purest essence from coffee beans, preventing overheating and burning. This material guarantees long-lasting performances, silence and the best in-cup result. Select among 5 options to customize your espresso, from the finest grind for a strong taste, to the coarsest for a lighter coffee.

PRE-BREWING

Unique body and taste for every espresso thanks to the pre-brewing function that implies few seconds of pause between the first shower of hot water and the actual brewing.

GROUND COFFEE OPTION

An easy solution if you would like to taste even more coffee blends, even decaffeinated.

MEMO FUNCTION

Customize and memorize the length of the available beverages simply by keeping selected the button for a few seconds.

AUTOMATIC CLEANING & GUIDED DESCALING

The coffee circuit is automatically cleaned when you switch the machine on or off, ensuring a perfect aroma at every use. The machine alerts you when it is time to descale it and guides you step by step
