R9,459

Press a button and enjoy your favourite Espresso - Compact, traditional design and simple to use. Who said the you'll never get at home the same great espresso they make at caffetteria? Brera Gaggia gives you tha professional thing right in the comfort of your kitchen. Select the strength and legth according to your personal taste.

Durable ceramic grinder

Because a metal grinder might burn the coffee beans while grinding, all Gaggia's Espresso machines are equipped with an extremely durable ceramic grinder. A ceramic grinder will retains the purity of the coffee aroma while being equally durable to a metal grinder. Additionally the coffee grind can be adjusted from coarse to fine, just as you prefer.

Removable brewing group

The removable brewing group in your full-automatic Espresso machine allows for easy cleaning and maintenance and can even be replaced separately if necessary. This saves money and increases the machine hygiene for a flawless coffee taste.

Automatic cleaning

Thanks to the automatic cleaning and automatic descaling, you are guaranteed a perfect and hygienic Espresso every day and prolong the lifetime of your Gaggia Espresso machine.

Digital display

Whatever you want to do with your Gaggia - the digital display makes navigation much easier and gives instant feedback on the status of your Espresso machine.

Stainless steel body

The case of your machine has been skillfully manufactured from stainless steel. This makes your Gaggia more robust, ensures long-lasting performance and is an eye-catcher in every kitchen.

Descaling alarm

Your Gaggia machine will indicate when a descale cycle becomes necessary. Descaling will prolong the lifetime of your Espresso machine significantly and should only be completed with original Gaggia descaler.

Perfect pressure

The 15bar pressure of your Gaggia coffee machine will make sure you always get the authentic Espresso taste.

Pre-brewing

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. Pre-brewing ensures that the ground coffee is evenly moistened before the actual brewing process. Only then the water flows through all of the ground coffee and your Gaggia Espresso machine can extract the full aroma for a balanced and tasty Espresso.

Stand-by mode

Your coffee machine switches off automatically after one hour. In the energy efficient stand-by mode your Gaggia machine will drain less than 1kW/h and save you money compared to other espresso machines.

Ground coffee compartment

The ground coffee compartment allows you to brew a different blend of coffee without changing the beans. Simply switch your Espresso machine to ground coffee and fill the amount for one Espresso into the compartment.
