Philips Stereo Y cable SWA2527W/10

Model: SWA2527W/10

Manufacturer: PHILIPS

EAN: 8710895994590

Product Code: 1679460

R855

Depend on this cable to provide you with a reliable audio connection between components.

Enjoy good audio quality

High-purity copper conductor for reliable signal transfer

This copper conductor provides high accuracy in signal transfer with minimal resistance.

Protects against signal loss

Bare copper shielding

Bare copper shielding protects against signal loss.

Easy installation

Colour-coded connectors for instant recognition

Colour-coded connections make it easy to install your cable into the correct inputs and outputs

Non-slip ergonomic grip for easy use

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Enjoy extended durability

Moulded plug for secure connections

Moulded plugs ensure secure connections between components and offer extended durability.

Rubber strain relief

Rubber strain relief provides a secure yet flexible juncture between the cable and the plug.

Flexible PVC jacket

Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.
