Impactful bass depth via a wireless subwoofer

Dig deeper via a powerful wireless subwoofer on this soundbar that delivers rich, deep bass. More impactful movies, music and games await, with cinematic depth that can be enjoyed directly from your living room.

3D cinema sound with Dolby Atmos and DTS:X, DTS Virtual:X

Get into the action with high-fidelity audio via Dolby Atmos and DTS:X, DTS Virtual:X. Experience cinema-like audio with 3D sound as you enjoy music, movies, sports and more with deeper bass, clearer dialogue and sound on an expanded soundstage, without the need for additional rear speakers.

Seamlessly connect your favourite devices via Bluetooth 5.4

Be it tunes, action or more, connect your favourite devices with fast, easy connectivity to this soundbar via Bluetooth 5.4. Enjoy improved streaming and sound synchronisation for smoother audio with less lag.

Multi-input modes including HDMI-eARC for better syncing

This full-featured soundbar comes with HDMI-eARC, syncing up audio from your TV seamlessly without the clutter of multiple cables. Further complete your audio connections through USB, audio-in and optical input.

Looks great with a sleek, compact design

With a low profile, sleek design that fits any home aesthetic, say goodbye to bulky soundbars. Comfortably add to your TV audio experience without extra bulk, and experience a sound quality output that belies its size.
