Enjoy maximum versatility with the Tornado TCM7042-GS, a compact espresso machine designed for true coffee variety. Featuring a high-performance 20-bar pump and NTC-controlled heating, it delivers rich, full-bodied coffee in less than 90 seconds.

The TCM7042-GS supports five major coffee formats—Nespresso®, Dolce Gusto®, Lavazza Blue®, ESE pods, and ground coffee—thanks to five interchangeable brewing drawers. Its 1.5-liter removable water tank enables multiple brews without refilling, while the dishwasher-safe trays simplify cleanup.

Touch controls make operation quick and user-friendly, and the slim ABS construction keeps the machine lightweight and space-efficient. Whether you prefer the convenience of capsules or the aroma of freshly ground beans, this machine gives you the freedom to enjoy your coffee, your way.
