Iron smarter and faster with the Tornado TST-2000G Steam Iron—built for power, precision, and ease of use.

Its durable ceramic soleplate glides smoothly across all fabrics, distributing heat evenly for consistent results. The powerful 2000–2400 W heating element ensures a fast 52-second heat-up, ready when you are.

With a continuous steam output of 25–40 g/min and a 170 g steam boost, the TST-2000G handles everything from delicate garments to heavy fabrics. Four adjustable steam settings and a vertical steam function make it ideal for both flat ironing and refreshing hanging clothes.

The 300 ml water tank and 1.8 m cord give you extended reach and flexibility. Built-in anti-drip and
