Model: TTA-7402-GS

Manufacturer: TORNADO

EAN: 6221127475968

Product Code: 1681240

R1,407

Compact in size but big on performance, the Tornado TTA7402-GS long-slot toaster delivers 1400 W of fast, even heating to your daily breakfast routine. Its extended 4×100 mm format accommodates two long slices or multiple smaller slices side-by-side—ideal for sandwich bread, artisan loaves, or specialty toast.

With seven adjustable browning levels, you can fine-tune each batch to your preferred level of crispness. One-touch buttons for defrost, reheat, and cancel functions are enhanced with red LED indicators for quick visual feedback and user convenience.

A modern, durable plastic housing with brushed metal accenting adds style to your kitchen, while practical features like a removable crumb tray and integrated cord wrap simplify cleanup and storage.

Smart, sleek, and reliable—the TTA7402-GS is your everyday upgrade for better breakfast results.
