No matter what type of card you need to print — from identity and access to membership, event and credit/debit cards — the ZC300 Series card printers will help you do it better, faster, and easier. Elegant engineering of the ZC300 and ZC350 card printers eliminate virtually all pain points associated with card printing. The result is push-button simplicity no matter what you are printing — single or dual-sided magnetic stripe or contactless cards, in color or black and white. And with a ground-breaking fits-everywhere design, you can get secure card printing wherever you need it.

When you need even more, the ZC350 delivers the fastest print speed and advanced printing options that allow you to create virtually any card design you can dream up. With support for just about every encoding technology, you can create just about any type of card — credit, debit,

identity, access, loyalty, public transportation passes and more. The ZC300 Series — the card printers that deliver it all.

GROUNDBREAKING SIMPLICITY

With plug-and-play deployment, instant card feeder adjustment, intuitive icons and a graphical user interface, the ZC300/ZC350 Series is easy to integrate, use, and manage. Ribbon changing is virtually fool-proof, and a revolutionary hopper design makes loading and unloading cards easier than ever.

BOUNDLESS CARD DESIGN OPTIONS

The ZC300/ZC350 Series is loaded with advanced card production features. Print what you want, when you want, from just about anywhere – single or dual-sided edge-to-edge monochrome and color cards, with new ribbons that offer specialty colors and special effects.

FITS EVERYWHERE DESIGN

Even though the ZC300/ZC350 Series is built for business, it has the consumer good looks required to fit in customer facing areas – from the corporate office to the university to the retail store. And the printer cover lock provides security by preventing theft of card stock and rejected cards.
