xTool SafetyPro™ AP2 Max V1.0 - Medium Efficiency Filter

The Medium Efficiency Filter designed for the xTool SafetyPro™ AP2 Max air purifier is responsible for the initial purification of air from contaminants such as dust, fibers, and particulates. Its use supports the operation of the entire filtration system, ensuring greater efficiency in subsequent stages. It is a crucial component that supports stable device operation and helps maintain a cleaner work environment.

Manufacturer xTool

Model P0104001152

Filter Type Medium Efficiency Filter
