High performance 1D/2D scanning from the warehouse freezer to the retail floor.

Boost productivity in your hands-free workflows and be ready for the rise of 2D barcodes with the RS5000x Corded Wearable Scanner. Give your workers comfort and durability, even in challenging environments — from the freezer to the floor in warehouses, manufacturing plants and retail backrooms. Lightweight and perfectly balanced for full-shift comfort, the RS5000x is worn on a single finger on either hand, leaving both hands free to handle materials — and the swivel feature allows workers to change hands on the fly. An advanced scan engine delivers split-second scanning of any barcode in virtually any condition. Every worker can get a comfortable and secure fit with the new durable strap and quick-adjust metal buckle. Just connect the RS5000x to a Zebra wearable computer and it's ready for work, providing the simplicity and affordability of a corded wearable scanner — with unmatched high performance rapid scanning.
