This adjustable floor stand is the perfect solution for anyone seeking a sleek, fixed-room setup that complements any space or home décor. Designed for seamless compatibility with Lifestudio Flex portable smart projectors, it offers easy setup —ideal for flexible home entertainment and effortless move from room to room.

Sleek, height-adjustable design

Adaptable to your space with a modern aesthetic, the stand’s height can be easily adjusted between 60 and 80 cm and blends naturally into your home decor

Full 180° horizontal rotation

Effortlessly adjust your projector's direction with a full 180° horizontal swivel for viewing flexbility

Vertical tilt +90° / -15°

Projection that suits you, simply adjust the viewing angle with precision—tilts upward to +90° and downward to -15° to where you want to watch

Easy setup

Assemble and adjust in minutes with a quick, hassle-free 5-step setup

Hidden cable storage

Keep your setup clean with the cable fully hidden inside the stand’s pole. Its sleek metallic finish perfectly complements the Lifestudio Flex projector design.
