Stylish and ultra compact this high performance A3+ printer with 5 single inks offers exceptional quality document and photo printing. It is the ideal desktop solution for printing large excel spreadsheets, business posters and photos.

Smart connectivity

With both Wi-Fi and Ethernet connectivity it can easily be shared between multiple PCs via an office network. Download Canon PRINT app to print from your smart devices. Apple AirPrint and Google Cloud Print support is also provided.

Superior quality

The 5 single ink system includes pigment black ink for crisp, sharp text and dye colour inks for beautiful photo-lab quality images – plus for more efficient printing you only need to change the colour that runs out.

Fast printing

No waiting for beautiful prints. Thanks to Canon's FINE technology this printer has a rapid A4 document print speed of 14.5 ipm in mono and 10.4 ipm in colour, and it can print a photo lab-quality 10x15cm borderless photo in approx. 36 seconds.

Save with XL inks

Print more for less. Optional XL inks deliver significantly more pages, offering up to 30% savings per page compared to standard size inks. The optional XXL pigment black ink allows you to print up to 1000 monochrome pages.

Exclusive contents

Enjoy access to a wide range of professional quality creative content with CREATIVE PARK PREMIUM. Easily create and print posters and business documents using templates from the exclusive Solution Templates service.
