Join Kirby in an unforgettable journey through a mysterious world in a 3D platforming adventure

Float off on an all-new adventure as the powerful puffball, Kirby. Explore in 3D stages as you discover a mysterious world with abandoned structures from a past civilization—like a shopping mall?! Copy enemies’ abilities like the new Drill and Ranger and use them to attack, explore your surroundings, and save the kidnapped Waddle Dees from the ferocious Beast Pack alongside the mysterious Elfilin. Hope you’re hungry for an unforgettable adventure!

Join up with a pointy partner, Bandana Waddle Dee, in co-op play

Pass a Joy-Con™ controller to a buddy to play as the spear-wielding Bandana Waddle Dee and help each other explore and battle through this colorful world. While Kirby can float and inhale enemies, Bandana Waddle Dee can spin and stab with his sturdy spear. Find friendship in this forgotten world and save the Waddle Dees!

Float over obstacles and fight through enemies on your way to each stage’s goal as you slash, poke, freeze, and hammer using Kirby’s copy abilities.

Each themed stage you travel through will hide several friendly Waddle Dees in peril! Save them to grow the home base of your adventure, the once-deserted Waddle Dee Town. The Waddle Dees you rescue will unlock shops and leaderboards*. You’ll also be able to enjoy some of the townsfolk’s favorite games.
