

i-tec USB-C Dual 4K/60Hz (single 8K/30Hz) DP Video Adapter

Model: C31DUAL4K60DP

Manufacturer: I-TEC

EAN: 8595611706554

Product Code: 1684290

R1,360

Expand your desktop to two external DP monitors or connect projectors or television to your notebook, tablet or PC via a new USB-C or Thunderbolt 3 connector. The adapter supports 1x 8K / 30 Hz or 2x 4K / 60 Hz*.

Using is very simple, just plug the adapter into the USB-C, USB4 or Thunderbolt 3/4 port on your computer, connect it to a display device via DP cable and you can immediately start using. Driver installation is automatic from the system.

*Note: macOS operating system does not support Multi-Stream Transport (MST) video transfer technology, which means that if connected to macOS, the same image will be projected on both connected monitors.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
