Experience performance with the iBOX Aurora K-5 keyboard, designed to elevate gaming and typing. This mechanical keyboard features 108 keys, including dedicated functions such as mute, brightness, next track, and backlight control for easy access to essential settings. With an RGB backlit design, it enhances visibility and allows for customizable light patterns, giving users a personalized touch.

Built with an aluminum base and equipped with KRGD Red key switches, the Aurora K-5 ensures durability with a lifespan of up to 60 million clicks. The keyboard includes a numeric keypad and palm rest for added comfort during extended use, while the 1.6 m cable offers flexibility in setup. Whether for gaming or everyday tasks, the iBOX Aurora K-5 combines functionality with aesthetic appeal.
