Unitek USB-C to USB-C cable is designed for charging and syncing between modern devices, offering reliable data transfer and power delivery for everyday use. The cable supports 5 Gbps SuperSpeed data transfer and up to 60W USB Power Delivery to keep laptops, tablets, and phones charged while moving files quickly. Multi-layer shielding and a bare copper conductor help maintain signal integrity, while strain relief and durable connectors reduce wear from daily use. Backwards compatibility with USB 2.0 and USB 1.1 ensures it works with a wide range of devices.
