Ambience for your workplace

The ambient lighting extends once around the enclosure as a blue strip. The blue circular LED not only has a visual effect, but also indicates operation and access of the hard drive. This DockingStation complements your office or home office as a technically reliable design object.

Quickly docked

Plug & Play makes installing hard disks a child's play and HotSwap technology enables easy hard disk replacement without having to switch off the unit. The generously dimensioned hard disk slot allows SSDs/HDDs with a thickness of up to 25.4 mm to be inserted. At the same time, smaller hard

disks are held firmly in position by a spring.

Combi-cable

Such a combi-cable is simply useful: the 2-in-1 plug conceals both a Type-A and a Type-C® connection; so it is ideally equipped for your host computer. The 100 cm long cable offers USB specification 3.0 with a data transfer rate of up to 5 Gbit/s.
