The Gembird TVS-70T-01 cart is designed to enhance your viewing experience with versatile features that cater to various display sizes. This AV furniture can accommodate TVs ranging from 37 inches to 70 inches, making it suitable for different settings, whether in a home, office, or classroom. The sturdy construction of steel and plastic ensures durability, while the ability to tilt the display from -12° to 12° allows for optimal viewing angles.

Equipped with four caster wheels, this cart provides effortless mobility, enabling users to relocate it with ease. The lockable feature adds stability, ensuring that the cart stays securely in place once positioned. Additionally, the inclusion of a shelf with a maximum load weight of 5 kg offers convenient storage for media players or other equipment. With the provided installation accessories kit and mounting hardware, setting up the cart is straightforward.
