R2,107

Long lasting smooth skin: Up to 1 month of smooth skin at any time, from the comfort of your home.

Precise: Removes hairs that wax can’t. The MicroGrip tweezers can capture hair as short as 0.5 mm.

Comfortable Epilation: Features a massage roller cap that helps reduce pain sensation.

Gentle hair removal: Wet and dry usage. Gently epilate in the bath or under the shower for less pain, more comfort.

Epilate on your own terms with no in between days: Our epilators catch hairs that wax can't and are free of chemicals.

Built to Last Years: Our epilators are made in Germany.
