R4,462

The compact VC-500W wireless colour photo printer features ZINK® Zero Ink Technology that allows you to print amazing full colour labels, photos, stickers and more up to 420mm long in a single pass without the need for ink cartridges, ribbons or toners. The VC-500W makes it fun and easy to decorate, personalize and create handmade gifts, gift wrap, greeting cards, invitations, photo projects, party favours, stickers and family fun items to tackling a myriad of organization tasks, business projects, address labels, scrapbooking, home decor, and more. All colours required for high-quality photo printing are embedded in the ZINK® paper which has an adhesive backing that adheres to most surfaces. The wireless interface offers easy connectivity – and lets you print from virtually anywhere or share on a network. Create and print from your mobile device when connected
