Intellinet Network Solutions Server Cabinets offer flexible and comprehensive solutions for your server installations. Our service starts with the shipping condition – get the completely assembled cabinet delivered or save space and money with the flatpack version.

Numerous 19″ options are available for housing, all with an installation depth of 1000 mm & 1200 mm. Cabinet heights range from 26 to 47 units in either black (RAL9005) or grey (RAL7035) colour, so there's a solution for every need. The removable side panels and the lockable doors make cabling and component exchange particularly easy. Perforations on front and back provide excellent airflow.

We provide top quality in materials and workmanship, including a cold-rolled steel frame, zinc-plated 19″ mounting rails and antistatic powder coating on all panels.
