The Nitecore NB Plus is an ultra-lightweight 10,000mAh portable power bank designed for outdoor adventurers, photographers, tradies, and everyday users who need reliable power on the go. With 22.5W fast output, USB-C PD & QC compatibility, and an IPX7 waterproof rating, it’s built tough for all conditions—whether you’re hiking in the forest, camping by the coast, or commuting in the city.

High-Capacity, Lightweight Design

Equipped with a 10,000mAh Li-ion battery (38.5Wh), the NB Plus balances power and portability. At only 155g, it slips easily into your pack without weighing you down.

Dual Fast Charging

Featuring USB-C and USB-A ports, it supports 22.5W MAX output to charge devices quickly, including smartphones, tablets, GPS units, and cameras. The USB-C input supports up to 18W fast charging to recharge the power bank itself efficiently.

IPX7 Waterproof Protection

Rated IPX7, the NB Plus can handle rain, splashes, and accidental drops in water—perfect for outdoor and emergency use in unpredictable weather.

Clear Power Indicators

Four blue LED indicators show remaining power levels at a glance, with a touch button for quick status checks.

Durable and Reliable

Crafted with premium materials and backed by Nitecore’s reputation for quality, this power bank withstands tough environments while keeping your devices powered.

Whether you’re heading bush, working on-site, or need backup power during travel, the Nitecore NB Plus is the compact, waterproof solution to keep your devices running.
