Elegant. Functional. Durable.

Durable, double-braided sleeving. Super-tight, “springy” coils. Striking colors that complement any keyboard. These trendy coiled cables look great, and add a touch of class to refine the perfect build aesthetic.

UNBREAKABLE CONNECTION

Joining the coiled and straight sections of the cable is a heavy-duty, metal, 5-pin aviator. This sturdy connector has a stylish, classic design, is satisfying to detach, and will provide a perfect connection every time.
