The Intellinet Network Solutions Basic 19"; Server Cabinet helps secure your crucial server and network equipment at an excellent value. Constructed from solid steel and coated with electrostatic powder paint, the cabinet incorporates heavy-duty, depth-adjustable mounting rails to help ensure that equipment stays secure as well as perforated front and rear doors to keep air circulating. UL and RoHS certifications further instil confidence that the Intellinet Network Solutions Basic 19"; Server Cabinet is the right choice at the right price.
