Finally! Home movie evenings for two with homemade crispy popcorn. Easy, fast and safe – the compact and powerful WMF KITCHENminis popcorn machine with up to 2.2 l filling quantity for unlimited popcorn pleasure in a matter of minutes. Lightning fast operation – the turning mechanism and non-stick coating ensure even, low-fat and aromatic preparation. Simply add the desired aromas through the filling hole in the lid, which also doubles up as a stylish serving bowl. Delightfully clean: no sticky fingers thanks to WMF Easy Handling. Simply turn the appliance upside down and pour the ready popcorn into the serving bowl. What’s more, the Cromargan® insert in the removable lid prevents butter or oil residues from landing on the table. Convenient bonus: The casing made of matt Cromargan® and the handle stay cool and can be touched during operation.
