Product Code: 1686257

R3,543

The workspace essential

Driving down costs without compromising quality, the desktop E Series presents all the reliable performance you expect from Sharp/NEC, against a very competitive price tag.

With user comfort prioritised, workspace ergonomics is a key design feature. Height adjustability to 120 mm with swivel, tilt and pivot functionality ensures a personalised set up, whilst built-in Low Blue Light and Flicker-Free technology protects the viewers’ eyes without sacrificing best picture

quality. Available in black or white, choose the best fit to complement your office setting and ergonomics – white displays reduce the impression of tunnel vision when in front of white walls.

In addition to cost optimisation, the E244FL and E274FL come with embedded LAN and USB-C connectivity which contributes to minimal cabling as well as making the display the docking hub of workstation communications.

With a fresh On-Screen Display (OSD) design, users benefit from highly intuitive operation, saving time and frustration during set up and adjustment. This Full HD display with VA screen technology is well placed to equip the home office and small to medium sized businesses for general office applications.
