The best things come in small packages and the QuickMix Go is no different. Everything you'd expect from a Kenwood mixer, hand held! With a durable 350W, enjoy great results in a compact footprint. Perfect for quick, small or simple tasks, the QuickMix Go is on-hand and ready to get you straight to the action.

SureEject beater release

SAFE AND SECURE

Keep your hands in control, and your beaters in place with a forward-facing beater release button that can’t be accidently pressed. Unique to Kenwood this useful mechanism minimises accidental beater injection, for a seamless baking experience,

5 speed slider

RAMP UP THE POWER

From doughs and batters, to whisked egg whites and creams, the QuickMix Go's intuitive 5 speed slider function, helps you stay in control of your mix. Simply pull back the slider, with clear defined increments, from the slow speed start to top speed setting, giving you the power you expect and the control you want.

30% recycled plastic

A STEP IN THE RIGHT DIRECTION

Enjoy great performance with a more sustainable design the QuickMix Go retains Kenwood's renowned quality, whilst using 30% recycled plastics.
