Elastic Curls

The motor offers rapid wind speed, managing to dry short hair in just 40 seconds with its powerful airflow for speedy styling.

Quick Blowdry, Rapid Style

The motor offers rapid wind speed, managing to dry short hair in just 40 seconds* with its powerful airflow for speedy styling.

Drying with Less Noise

Operating at a level of less than 60dB, the motor in Pocket pairs powerful airflow with an advanced 6-layered noise reduction system. This design ensures your hair drying experience with minimal disruption.

Negative Ions Care for Your Hair

Pocket utilizes 300,000,000 negative ions to preserve hair health. By sealing the hair cuticles, these ions ensure moisture retention, leading to smoother, shinier, and frizz-free hair. This is the magic touch of Dreame hairdryer—capturing moisture for optimal hair health.

57°C Smart NTC Temperature Sensor Guards

The hairdryer integrates an NTC thermistor and a microprocessor to maintain a safe operating temperature below 57℃. These components perform 300 checks per second* in hot air mode, ensuring a secure and damage-free blow-drying experience.

Effortless Storage, Stylish Portability

Organize your Pocket and accompanying nozzles in the travel bag. This chic storage solution perfectly complements the hairdryer's luxurious leather-textured exterior.
