2x2 MIMO airMAX® ac Sector AP

The LiteAP™ ac is an ultra-lightweight airMAX ac Access Point with incredible performance and disruptive pricing.

Models: LAP-120, LAP-GPS

Coverage

The LiteAP ac features a 2x2 MIMO antenna and communicates with multiple airMAX ac CPEs within a 120° coverage area.

GPS Synchronization

LiteAPTM GPS supports GPS Sync for faster, more scalable, carrier-class networks, with 90% higher throughout than competing solutions.

Now with airOS®

airOS®8 provides powerful features, including airMAX® ac protocol support, real-time RF analytics, and an all-new design for enhanced usability.

Lightweight and Sleek Design

The LiteAP ac features a lightweight antenna with an integrated radio in a sleek and highly efficient design.

Installation Flexibility

Featuring the freedom of three-axis alignment, the LiteAP ac fully assembles in seconds – no tools needed. Only a single wrench is required for pole-mounting.
