TP-Link RE205 network extender Network repeater 10, 100 Mbit/s

Model: RE205

Manufacturer: TP-LINK

EAN: 1210002613712

Product Code: 1686516

R1,124

Easily Expand Your Wi-Fi Coverage

Tired of Wi-Fi dead zones in your home? The RE205 Range Extender connects to your Wi-Fi router wirelessly, strengthening and expanding its signal into areas it can’t reach on its own, while reducing signal interference to ensure reliable Wi-Fi coverage throughout your home or office.

High-Speed Dual Band Wi-Fi for Better Connections

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The RE205 lets you keep more devices connected at the same time with its 2.4GHz 300Mbps and 5GHz 433Mbps dual bands. Use the 2.4GHz band to send email and browse the web, and the 5GHz band for gaming and HD streaming.

Perfect Location at a Glimpse

An Intelligent Signal light helps you quickly find the best location to install the RE205.

Built-in Access Point Mode

RE205 is more than a wireless range extender. Simply plug the Ethernet cable into its Ethernet port to easily turn your wired internet connection into a dual band wireless access point.

Easy Management and Remote Control

The RE205 works with all Wi-Fi routers. You can use TP-Link's free Tether app to set up the range extender from any Android or iOS device in minutes. This feature-rich phone app allows you to enjoy not only hassle-free installation, but also access to advanced network management, all at your fingertips.
