EAN: 4895252507904

Product Code: 1686745

R1,441

Smart. Secure. Easy.

All-Round Protection with Vivid Colours Outdoor Pan/Tilt Security Wi-Fi Camera

360° Visual Coverage

Provides 360° horizontal & 130° vertical view range to capture everything around.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Full-Colour Mode

Two built-in spotlights enables TC41 to capture full-colour images for enhanced security.

Infrared Mode

Provides a visual distance of up to 98ft at night while also helping you save more energy with spotlights off.

Smart Mode

Lights up the environment and automatically switches to full-colour mode to provide more details when a person or motion is detected.

2K Resolution, See Every Detail

With the resolution of 2304 × 1296 px , TC41 enhances your security by capturing more details compared with traditional 1080p(1920 × 1080 px).

Smart Motion Tracking

TC41 tracks motion with high-speed rotation, ensuring you to keep an eye on more vital areas.

Multiple Detection for Free

Customize your detection and keep an eye on what matters.

IP65 Water & Dust Resistant

Offers excellent waterproof and dustproof performance for outdoor scenarios.

Two-Way Audio

Communicate directly with the outdoors for your convenience.
