With 4 Smart Night Vision Modes that adapt to different environments, you can always get the view you need.

Built for Any Weather

Resistant to rain, dust, and harsh conditions—reliable performance, rain or shine.

All-day Storage Saving Recording(AOR Mode)

Records continuously while saving storage: full-frame video during events, and 1 FPS when nothing happens.

Diversified Storage Options

Supports Cloud, Micro SD Card(up to 512GB), and NVR storage, giving you flexible ways to save and access your videos.

Full-duplex Two-way Talk in Real Time

Communicate instantly with family and visitors—no matter where you are.

Custom Siren

Set your own warning sound to deter unwanted visitors and make your security more personal.

Works with Google Assistant & Alexa

Connect with Google Assistant or Amazon Alexa and manage your camera with simple voice commands.
