Epson SD-10 (ECSP) Black LCD Rechargeable Battery (B41CK17301B0)

Model: B41CK17301B0

Manufacturer: EPSON

EAN: 8715946697666

Product Code: 1687466

R17,588

SD-10 spectrophotometer

Elevate your colour

View colour on a whole new level with the full-featured, portable Epson SD-10 Spectrophotometer, combining accuracy and speed to give you the colour information you need to make critical colour decisions. This easy-to-use device measures colours accurately, consistently and quickly.

Its compact size makes it easy to carry, and its embedded battery allows you to take measurements virtually anywhere, anytime. Thanks to the built in Bluetooth{s® connectivity, the Epson Spectrometer mobile app{s1, and workflow integration, the SD-10 can help you elevate your colour capabilities.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The SD-10 allows for easy integration with Epson Edge Print, directly measuring and replacing colours within the print workflow; connect via Bluetooth or USB.

You can build colour libraries by using the mobile app to create colour palettes, find similar pantone colours and record measurements. SD-10 gives you colour confidence, by using the mobile app to identify whether your Epson printer, media and ICC profile can reproduce a measured colour.

SD-10 (ECSP) B41CK17301B0 additionally comes with an alignment guide B42B900201 and cover B42B900101 as well as a five-year warranty.
