

Microconnect MC-PCIEX1-82575 not categorized

Model: MC-PCIEX1-82575

Manufacturer: MICRO CONNECT

EAN: 5715328014626

Product Code: 1687644

R1,438

The Intel 82575 Dual-Port Gigabit Ethernet NIC is a compact and efficient solution for expanding network connectivity in servers and embedded systems. Featuring the Intel JL82575EB chipset and a PCIe x1 interface, it delivers reliable dual-port Gigabit Ethernet over copper, ideal for small form factor systems and cost-sensitive deployments.
