

ICY BOX IB-PCI208-HS interface cards/adapter Internal M.2

Model: IB-PCI208-HS

Manufacturer: ICY BOX

EAN: 4250078171669

Product Code: 1687695

R971

Ignite the data turbo

If you want to give your M.2 SSD the turbo boost, then connect it with the super-fast PCIe 4.0 expansion
card! This allows the data to reach transfer speeds of up to 64 Gbit/s - waiting was yesterday!

Always stays cool

Even with the highest demands, your SSD always stays cool. The large, solid aluminium heat sink in the innovative cooling fin design ensures sufficient heat dissipation to keep your SSD running stably and efficiently. In addition, the expansion card comes with thermal pads that are applied to the M.2
