Slim Heavy-Duty Foldable Tilting TV Wall Bracket - adjustable mounting bracket that puts displays in the right perspective and avoids annoying glare

This tilting TV Wall Mount from Manhattan safely holds your TV and offers a toolless +3 to -12° tilt adjustment with the turn of a knob for optimized views. Constructed of 2 mm thick reinforced powder-coated steel, it fits flat and curved LCD, OLED or plasma TVs up to 100" and weighing up to 70 kg (154 lbs.) with VESA compliance up to 800x400. You're all set for a confident above-the-floor installation with an included bubble level that helps get the mount perfectly horizontal on the wall, and intuitive snap-in spring locks with release cords let you easily and securely put the TV in place. It's ideal for residential, office, hospitality, classroom, conference room, digital signage and other commercial applications. An anti-theft opening allows you to attach a padlock to prevent your valuable display from being removed and stolen.

Foldable, shipping-friendly design

The mount can be folded into a more compact shape that we ship in extra-small, space-saving packaging.
