

Lindy USB to Serial RS485 Converter

Model: 42845

Manufacturer: LINDY

EAN: 4002888428453

Product Code: 1688877

R1,408

The Lindy USB to Serial Converter allows the user to easily connect peripheral devices featuring 9 Way Serial RS485 to a USB Type A port.

With both USB Type A and serial connectors, this device is a perfect solution for connecting legacy RS485 equipment such as barcode scanners and industrial devices to notebooks and Macbooks, in retail, IT and digital signage scenarios.

This converter is compatible with Windows, Mac and Linux operating systems. It supports hot-swapping so the user can quickly switch serial devices without shutting down the computer.

The converter is USB bus-powered, it can be installed quickly and easily with no need for additional power supplies.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
