BA 3.7V 1.0Ah A Professional: Further information

Product Highlights

The Li-ion battery BA 3.7V 1.0Ah A Professional ensures continuous power supply and is perfectly suitable for enduring tasks. While equipped in Bosch laser range finders, the BA 3.7V 1.0Ah A Professional is rechargeable during operation, making spare batteries unnecessary and reducing waste caused by old ones, thus contributing to environmental sustainability. Its Li-ion technology enables long battery runtime and provides a stable performance even at low temperatures. With its USB-C-Type™ connector, the battery can be flexibly recharged by various 5 V power supplies like PCs, power banks, and conventional power supply plugs.

Additional Information

It is compatible with Bosch´s laser range finders GLM 50-22, GLM 50-25 G, GLM 50-27 C & CG Professional.
