

Kodak S2050 ADF scanner 600 x 600 DPI A4 Black, White

Model: 1014968

Manufacturer: KODAK

EAN: 041771014964

Product Code: 1689195

R14,527

The KODAK S2000 Series Scanners are professional sheetfed scanners that integrate into vital business processes. Advanced features such as active feeding system (AFS), Dual Light Illumination (DLI) and onboard Perfect Page Technology ensure documents are captured with ultimate confidence and the highest quality.

This flexible series includes passport, legal or A3 flatbed options allowing you to build the right solution no matter how complex the process business process is.

The Kodak S2050 is designed to deliver a productive and high image quality scanning experience for your business.

Superior Image Quality

With Kodak Perfect Page technology and Dual Light Illumination - create scanned documents that look better than the original which have up to 20% better OCR accuracy rates. More accurate searchable PDFs and better data accuracy for better business processes.

Unique Smart Touch Technology

Start up faster and stay productive with ease-of-use features. Install pre-configured settings in seconds using the award-winning Easy Setup feature. The intuitive color displays make scanning quick and easy. Save up to 20 job setups and destinations with one-touch scanning.

Active Feed Technology

Keep working without worrying about jams, thanks to a paper path built for exceptional reliability. Active Feed automatically jogs pages to avoid misfeeds.

Advanced Capture Software

Deliver information exactly where it needs to go, in the right format. Your documents can go anywhere you need: local or network folders, FTP, cloud destinations like SharePoint, or other systems. Advanced capture software and our partners can help you extract data from documents and integrate it directly into business processes.

Ready for passports or small delicate documents

The optional range of flatbed scanners provide additional media handling capabilities to customise your scanning experience. An A4 flatbed for legal documents, bound media or fragile documents or a unique passport flatbed which provides a space saving solution for identification document scanning. You don’t need another power cord or USB port on your host PC. Thanks to seamless TWAIN and ISIS-driver integration there is also no need to use multiple scanner drivers.
