R986

Partner ZINK™ photo paper with Canon Zoemini and transform your mobile phone and tablet snaps into treasured keepsakes, gifts and decorations. Perfectly sized for social media photos, the photo paper's innovative ZINK™ technology produces instant, smudge-free, water and tear- resistant photos with no ink and no fuss, ideal for printing when out and about. Photos can be displayed almost anywhere-peel off the paper's backing to reveal the sticky side and apply to your phone case, laptop or furniture for instant personalisation
