Model: 019-040-540-011E

Manufacturer: NETRACK

EAN: 5905996211476

Product Code: 1689374

R1,422

The Netrack ECO-Line server rack cabinet is designed to efficiently store and organize your equipment. Crafted from durable steel, this cabinet features a sleek glass door that provides visibility and adds a modern touch to any environment. With dimensions of 542 x 400 mm and a height of 4 rack units, it is suited for wall mounting, making it a versatile choice for space-constrained settings. The front key lock enhances security, ensuring that your valuable equipment remains protected while still being easily accessible.

This cabinet supports a maximum load weight of 20 kg, accommodating various equipment types without compromising stability. Assembly is required, but its straightforward design simplifies the process. The Netrack ECO-Line server rack cabinet is a functional and practical solution for those looking to maximize their storage capabilities while maintaining an organized and professional appearance.
