Print quotations, invoices, and other reports whilst on the move and streamline the work of field sales, field service, logistics, delivery and the emergency service sectors. The PJ-763 with built-in Bluetooth and USB connectivity offers a mobile A4 print solution compact enough to fit easily into a briefcase or computer bag, but that can also be permanently installed in vehicles. Thermal print technology at 300dpi produces crisp text at a print speed of up to 8 pages per minute. Compatible with a wide range of mobile and desktop operating systems, the PJ-763 can easily be integrated into your own apps and software using the various SDK's (Software Development Kits) available.
