

TP-Link AC750 wireless router Fast Ethernet Dual-band (2.4 GHz / 5 GHz) Black, White

Model: ARCHERC20

Manufacturer: TP-LINK

EAN: 6935364091606

Product Code: 1689731

R1,150

- Supports 802.11ac standard - the next generation of Wi-Fi

- Simultaneous 2.4GHz 300Mbps and 5GHz 433Mbps connections for 733Mbps of total available bandwidth
- 2 external antennas provide stable omnidirectional signal and superior wireless coverage
- USB port - share a printer locally and files & media with networked devices or remotely via FTP server

802.11ac - The Next Generation of Wi-Fi

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

TP-LINK’s Archer C20 comes with the next generation Wi-Fi standard – 802.11ac, backward compatible with 802.11n and 3 times faster than wireless N speeds. With higher power efficiency and robust security, 802.11ac is the perfect way to accelerate a home multimedia network and solve congestion that multiple devices may cause.

733Mbps Dual Band Connections for Lag-Free Work

With 433Mbps wireless speeds over the crystal clear 5GHz band and 300Mbps over the 2.4GHz band, Archer C20 offers you the flexibility of two dedicated networks and ensures amazing wireless performance. Simple tasks such as sending e-mails or web browsing can be handled by the 2.4GHz band while bandwidth intensive tasks like online gaming or HD video streaming can be processed by the 5GHz band – all at the same time.

Stable Omnidirectional Signal and Superior Coverage

With 2 fixed external antennas combined with higher quality antenna technology, you can experience excellent wireless performance with stable signal in every direction and high speed across greater distances. This provides you with incredible wireless coverage and reliability from anywhere in your large home or office.

Easy USB Storage and Sharing

With the USB port, you can share a printer locally and files & media with networked devices or remotely via FTP server.
