

Chieftec mATX Gehäuse GM-30B-M-OP, black Cube

Model: GM-30B-M-OP

Manufacturer: CHIEFTEC

EAN: 753263078704

Product Code: 1690318

R2,042

The CHIEFTEC Visio Air performance chassis features a dual-chamber layout to accommodate the latest back-connect motherboards, streamlining cable management for a cleaner interior view (ASUS BTF and MSI Project Zero compatible). The Visio Air comes with tempered glass on the side, a front combining brushed aluminum and mesh panel, along with two pre-installed 140mm PWM fans on the bottom and one 140mm PWM fan on the rear. This design enhances stability and airflow, effectively reducing heat accumulation inside the chassis while keeping noise levels low.

The rened internal layout supports the mounting of 360mm radiators on the top and bottom, 240mm radiators on the motherboard side, and CPU tower coolers up to 175mm in height. High-end GPUs up to 410mm can be easily accommodated, thanks to its spacious and well-ventilated conguration.

The CHIEFTEC Visio Air is versatile enough for both work and home environments, making it a practical choice for various settings.
