The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Resilient camera protection: impacts, scratches and the like are no problem for the durable and robust protective glass thanks to its 9H hardness

Optimal image quality

No photo impairment: the camera cover offers protection for the projecting camera lenses without impairing the quality of the photographs – for a carefree way to take pictures and videos

Made from tempered glass

Especially durable and robust camera protection made from tempered glass: perfect-fit and strong protection for camera lenses – prevents shattering, breakage and scratching of the camera lenses

Suitable for every case

Case-friendly: the special design means it fits all mobile phone bags, sleeves and cases

Discreet camera protection

Unobtrusive: the transparent, form-fitting camera protection guarantees secure protection

Quick and easy to attach

Two simple steps to achieve camera protection: clean the camera lenses, pop the camera cover on - done

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
