can even listen to music separately. Full flexibility - indoor and outdoor!

30 Watts of music power (stereo or mono)

Rich 30 Watts of music power, just the way you want it: flexibly position as a Bluetooth loudspeaker set with 2 x 15 Watt and create the perfect sound from two directions

2 music boxes in one set

Divisible loudspeaker set: the compact speaker can be split into two identical sound boxes, either for synchronous stereo sound or for separate use in different ears - 2 people can then listen to music independently of each other

Protected from dust and water to IP67

Dust and waterproof loudspeaker for every occasion: all-round protection from dust, splash and jet water to IP67, ensuring sandy beaches or flour, rain showers and even a brief accidental dip in the water at a pool party are no longer a problem

Floating loudspeaker

Enjoy your favourite tunes by the lake, pool or even in the bath - the loudspeaker can float, ensuring great music wherever you are

3 equaliser modes

Music box with bass at the press of a button: Equaliser with three different sound effects for additional bass, accentuated trebles or balanced sound, switch easily with a button

Option for True Wireless stereo

Pair the loudspeaker as a set thanks to True Wireless Stereo (TWS): connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound

Battery for full mobility

Full mobility thanks to battery operation with LED charging indicator: fast charging within 3 hours with USB-C interface

12 hours of music enjoyment

Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 12 hours

Integrated hands-free phone set

With the integrated hands-free system, making phone calls in HD quality is very easy

Anti-slip rubber feet

For a secure grip: the non-slip rubber feet on the underside of the 2 halves of the loudspeaker ensure a secure grip without sliding around on any surface, even at full volume

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
