

Targus HyperDrive Next SSD enclosure Black

Model: HD5001GL

Manufacturer: HYPER

EAN: 6941921148386

Product Code: 1690796

R2,897

Upgrade your SSD storage solution with the HyperDrive Next USB4 NVMe SSD Enclosure and unlock increased productivity by working directly from your SSD. Experience lightning-fast 40 Gbps transfer speeds and seamless compatibility with all M.2 NVMe SSDs. The easy snap-in installation ensures effortless setup, while the IP55 rating provides reliable water and dust resistance.* Designed with EcoSmart™ sustainability using 100% recycled Aluminium.

40 Gbps transfer speeds

Leveraging USB4** for lightning fast transfer speeds up to 3,800 Mbps, enabling speeds approx. 4X quicker than standard USB 3.1 hard drives.

Ideal for content creators

Improve your workflow with fast back up or fully utilise the ultra-high bandwidth to directly manipulate large files on the SSD, perfect for content creators.

Fits M.2 NVMe SSDs 2230/2240/2260/2280 mm

Compatible with the highest-performing PCIe Gen4/3 SSD for a noticeable boost in speed and performance.

Easy click-in installation

No tools required for easy SSD installation with plug-and-play operation.

Quick upgrade

Take out the hassle of removing full hard disks and simply add a super fast SSD to your device.

IP55 water & dust resistant*

Safely use your SSD in a wide range of environmental conditions.

EcoSmart™ sustainability without compromise

Faster speeds and better for the planet with 100% recycled Aluminium.
