Model: FF01-6818-12B

Manufacturer: LANBERG

EAN: 5901969448283

Product Code: 1691013

R9,041

The Lanberg FF01 series 600 x 800 rack cabinet is designed to organize and protect network and server equipment in small data rooms or edge installations. Tempered glass front door and a metal frame deliver visible, secure access while multiple locks and a 210° opening angle make equipment handling straightforward. Built-in cooling fans, ventilation panels, and a high 800 kg load limit help maintain reliable operation, and the flat-pack design with wheels and legs allows easier transport and flexible placement for free-standing setups.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
