

FSP FlexGURU Pro 500W Power supply unit FLEX ATX ATX2.52 / Flex ATX1.23 Black

Model: PPA5008401

Manufacturer: FSP

EAN: 4713224522925

Product Code: 1691070

R2,762

Excellent Thermal Performance

The FlexGURU PRO series offers an inner 40mm fan design, which reduces noise and allows for maximum cooling at all times.

All Black Round Cables

The all black round cables offers your system a more sophisticated look compared to other entry-level power supplies.

High Efficiency Conversion 90%

FlexGURU FIX

90% Efficiency Conversion

The efficiency of your power supply is very important since it directly affects your system's performance. The FlexGURU PRO 500W has a guaranteed typical efficiency of 90% and offers a high conversion power to power your system.

FlexGURU FIX table

Multifunctional Design

The FlexGURU PRO series comes with the included 1U bracket which turns the FlexGURU PRO 500W into a 1U IPC power supply.

Compliance with IEC 62368

FSP Group features the latest in green power technology and provides additional safety approvals to keep its power supplies ahead of regulation changes. FSP has upgraded the majority of its power supplies to the newer IEC 62368 standards.

FlexGURU FIX

Safety Protection

OVP (Over Voltage Protection), UVP (Under Voltage Protection), OPP (Over Power Protection), SCP (Short Circuit Protection), and OTP (Over Temperature Protection), full guardian circuit protection to keep your hardware safe.

Japanese Electrolytic Capacitors

The FlexGURU PRO series utilizes main Japanese Electrolytic Capacitors to offer stable outputs and long-term reliability.
