

# PATCHBOX .one / 8RU / STP / White

Model: PONEX8STPWH

Manufacturer: PATCHBOX

EAN: 4262427630642

Product Code: 1691139

## R11,805

## All-in-One Cable Management Solution

With 24 Cat.6a cassettes, it eliminates clutter and maximizes airflow, improving your IT environment’s health.

## Speed That Pays Off

Enjoy up to 10x faster installation and troubleshooting, saving precious hours during deployment and maintenance and reducing the duration of downtimes by up to 90%.

## Optimize Rack Space Like Never Before

Reclaim up to 50% more rack space thanks to its retractable cable design—no more excess cable lengths.

## Color-Code Your Network Visually

Cables are available in 8 colors, supporting fast identification and structured cabling across different IT zones.

## Power Ready and Standards Compliant

Our Twisted Pair Cat.6a cables meet ISO/IEC standards and support PoE (STP) and PoE++ (UTP) technologies.

## Engineered for Compact Environments

Perfect for smaller server cabinets, this version can cover up to 8 rack units with 0.8m cables that are fully retractable.

## Built to Last, Backed by Warranty

patchbox.one and all cables come with a 10-Year Warranty, delivering reliability you can trust in mission-critical environments.
